**PDC Graphics Expands Footprint with Acquisition of Cox Printers**

Southampton, PA – January 2, 2026 — PDC Graphics, a premier provider of print and marketing solutions in Southampton, Pennsylvania, proudly announces the acquisition of Cox Printers, a well-established printing company based in Linden, New Jersey. This strategic acquisition reinforces PDC Graphics' commitment to delivering exceptional quality, expanded service capabilities, and comprehensive print-marketing solutions to a broader client base.

Founded in 1907, Cox Printers has long been recognized for its craftsmanship, reliability, and personalized service. Under the leadership of Mike Kaufman, who acquired the company in 1984, Cox Printers grew its offerings beyond traditional high-end commercial printing to include online ordering, specialty finishing and engraving, warehouse and distribution services, and trade show management. These expansions have cultivated a loyal customer base by consistently providing outstanding marketing materials, rack cards, booklets, and complex print solutions.

“We are honored to welcome Cox Printers and its dedicated team to the PDC Graphics family,” said Jim Rosenthal, President of PDC Graphics. “Our goal is to build upon Cox’s remarkable legacy of quality and customer care. By combining their talented staff with PDC’s advanced production technologies and extensive service portfolio, we aim to deliver even greater value, continuity, and innovation to Cox customers. This acquisition aligns perfectly with our growth strategy, and we look forward to further strengthening our competitive position in the printing and graphic communications industry.”

Throughout the transaction, PDC Graphics worked collaboratively with Graphic Arts Advisors, who served as exclusive M&A advisor to Cox Printers. “We appreciate the professionalism and strategic guidance that Mitch Evans and Mark Hahn from Graphic Arts Advisors brought to the table, which helped facilitate a smooth and timely transaction,” Rosenthal added.

This acquisition highlights a growing industry trend, as PDC Graphics pursues smart, strategic acquisitions that enhance operational scale, expand capabilities, and deepen customer relationships.
